Mitchell E. Daniels, Jr., Governor
Karl B. Browning, Commissioner

FOR IMMEDIATE RELEASE

March 31, 2008

I-65 lanes restricted during box truss foundation construction

Restrictions scheduled for April 1-4

GARY, Ind. – The Indiana Department of Transportation (INDOT) announces I-65 lanes near the I-80/94 interchange will be restricted April 1-4. This will allow crews to construct box truss foundations in the center median of I-65. Box trusses support overhead signs. This work is part of the Major Moves New Construction Interchange Modification project at I-65 and I-80/94 (the Frank Borman Expressway).

The restrictions include:

- From 9 p.m. April 1 to 5 a.m. April 2, the right and center lanes of northbound I-65 will be closed around the Ridge Road exit while temporary barrier wall is set; and
- From 9 a.m. to 3:30 p.m. April 1-4, the left lane of southbound I-65 will be closed from the 35th Street bridge to 0.5 miles south of Ridge Road.

INDOT reminds drivers to use caution and consider worker safety when traveling through a highway construction zone. Work is weather dependent.

Gov. Mitch Daniels' Major Moves transportation plan fully funds a decade of critical highway projects in Indiana. When Major Moves is complete in 2015, more than 200 new construction and 200 major highway preservation projects will have been built. This innovative plan will bring jobs to the Hoosier State and leave a legacy for Indiana to be a global leader in distribution and logistics.
